SKILLS

Programming Languages: JavaScript, C++,

Frontend Development: ReactJS, MongoDB, HTML, CSS

Design Tools: Figma, Wireframing, Prototyping **Testing/Tools:** Selenium, Postman, Documentation

EXPERIENCE

Figma Developer Intern

Aug 2024 - Feb 2025

- Designed and developed reusable components and intuitive user interfaces using Figma.
- Created seamless animations and transitions to improve user engagement and interaction.
- Produced detailed prototypes and wireframes, translating design concepts into functional models.
- Collaborated with cross-functional teams to align designs with the latest UI/UX trends.

PROJECTS

Roommate Finder Mar 2025

Developed a web-based platform that helps individuals find compatible roommates based on preferences, location, budget, and lifestyle choices. Designed UI/UX for an visually appealing interface to enhance user engagement. Implemented responsive layouts, interactive search filters, and smooth navigation for a seamless user experience. Integrated React components with backend APIs for real-time data updates and optimized performance.

Technologies: ReactJS, HTML, CSS, Figma, GitHub

Presently - Last Minute PPT Maker (live)

Feb 2025

Designed the UI/UX for an AI-powered last-minute presentation maker, ensuring a visually appealing and engaging user experience. Developed a well-structured landing page with carefully selected color themes to build trust and enhance user retention. Created an intuitive workflow from landing to presentation generation, incorporating smooth animations and loaders for a modern, seamless experience.

Technologies: Figma, Wireframing, Prototyping

Mega Mart - E-Commerce UI Design

Apr 2024

Designed an intuitive and visually appealing e-commerce UI for a food application. Conducted user research to optimize user flow and enhance the shopping experience. Focused on responsive design, ensuring a smooth experience across devices.

Technologies: Figma, User Research, UI Design

EDUCATION

Bachelor of Computer Applications in Big Data Analytics

2022 - 2025

2020 - 2022

Lovely Professional University, Phagwara, Punjab

Intermediate CBSE

Sinha College, Aurangabad, Bihar

ACHIEVEMENTS

Secured second runner-up in Hackverse 2024, a 24 hour Hackathon.

Participated in SAP HACKFEST 2024 a national level hackathon where our team qualified for the regional round.
